Become a better team

Follow up
- How frequent should these discussions be followed up?
- Team building and non Chalmers related events?
  - How often?
  - Which activities? (i.e. dinner, game night, Boda borg, laser game)

Meetings
- What type of meetings do we want? (i.e., formal vs informal/discussion based/decision-based)
- Meeting frequency and meeting length?
- How do we store our information?
- How do we regards discussions/decisions during our free time?

Goals and expectations
- Level of ambition
- Which goals and expectations do we have as a group for the coming year?
- Which goals and expectations do we as individuals have for the coming year?
- What are our expectations towards one another?
- What do we do when someone doesn't fulfill their task?

Predecessors
- How do we regard our predecessors?
- What kind of help would we like from them?
- What do we want to do for them?
- How do we regard the culture existing among our predecessors?

Representation
- What do we represent as committee volunteers?
- What is OK to do in our uniforms?
- Is it OK everywhere?
- How do we regard this as individuals outside our duties?
- Chalmers brand and good name

Stress
- What happens when we are stressed?
- How can we observe the signals and help one another?
- How do we act if a member's workload becomes unsustainable?

Alcohol
- Drinking alcohol is not the norm for everyone. Do you drink?
- What is your relationship to alcohol now and before coming to Chalmers?
- How do we handle alcohol peer pressure?
- Why?
- How does alcohol affect our groups' reputation and future recruitment?

Priorities
- Which things compete about our time? What do we want/have to prioritize?
- How do we regard our studies?
- Can we accomplish all goals/ambitions/expectations on the allocated amount of time? How can we prioritize between our various goals?

Responsibilities
- Should the workload be equally divided?
- Which tasks are specific to a certain role vs common tasks? At what extent should we help one another?
- Shared responsibility
