

How to:

hang in Olgas

Seen from the student union building

1. Unfasten the ropes
2. Unhook the safety hooks from the cleats and each other.
3. Fasten hooks in corners of the banner.
4. Pull the banner to its position.
5. Fasten ropes tightly in cleats.

↻ Reverser order to get your banner down!

Attach the corresponding rope color to the correct cleat!

When hooks are not in use, fasten them first in each other and then in the cleats.

The white cleats can be used to offload the colored cleats above when there is excessive rope.

If the hook by accident gets stuck at the top, you can borrow a boat hook at the information desk.
